

## **If you are unable to bring or send dānà on your monthly dāna date:**

- You may make a donation towards the Dana fund. This can be the cost of whatever amount you think is appropriate for meals for two monks and one lay person. There is no set amount.
- Please let us know at least three days in advance that you are not able to come and will be [sending a donation](#) instead.
- Please do not swap your scheduled dana day with anyone else.
